for their extraordinary contribution to our
2007 Holiday Event & Charity Auction

EXTRAORDINARY EVENTS
events to the extraordinary power

On behalf of the SITE-SoCal Board of Directors, it gives me *Grand* pleasure to officially announce that the 2007 Holiday Event at the Grand Del Mar helped SITE-SoCal raise **\$152,000!**

\$34,200 will go to each of our four charities below, and we know all of our charities will put these funds to *Grand* use.

- The D.O.L.L.S.
- Alisa Ann Ruch Burn Foundation, Champ Camp
- Red Wagon Foundation
- Las Hermanas for Horsemanship for the Handicap

\$15,200 through The Karen Olhava-Henderson Memorial Fund

This year we established The Karen Olhava-Henderson Memorial Fund as a means to give ten percent of our Holiday Event charitable funds to a different cause annually. To inaugurate the fund, we chose to give this amount to the trust fund of Karen's son, Luc Olhava-Henderson.

As we all know, it takes more than a village to raise funds like these. It took **SITE Worldwide Pride**, and it all starts from early work in gathering more than **\$350,000** in retail value certificates. Because of your generosity in sponsoring, donating, attending, and purchasing raffle tickets and auction items, we are helping improve the lives of children throughout Southern California.

We could not have done this without so many volunteers and the leadership of **Kim Hester** of JNR, Inc., plus the backdrop, location and services of our host, the **Grand Del Mar Resort & Spa**. When we look back at all of our sweat and tears, and then think about the smiles on the children's faces, we realize our effort was worth it all. How can that not put a SITE-SoCal smile on our faces?

The inception of this event nine years ago was to come together as an industry to raise funds for local charities. It has developed into a massive undertaking, but the spirit and cause of the event remains the same. We can look around and share with confidence, for it was a *Grand* accomplishment by all.

Respectfully Submitted~
