Dear Mr. Mousseau,

I just got back from my trip to Hawaii. I had the most amazing time!

The accommodations were spectacular, and the weather was wonderful. I wanted to thank you so much from the bottom of my heart for arranging this trip for me. It was so kind of you to do this for me. I hope one day to be able to thank you in person. I attached a picture from my trip. Thank you again so much!

Sincerely,
Stacy Motenko

Gaetan:

I can't even find the appropriate words to thank you and SITE for what you have done for Stacy and our family. We are overwhelmed not just by the very generous gift to Stacy, but by the warmth and compassion that you and the entire group showed to us at the event yesterday. So many people came up to my wife and me after the event to offer their kind thoughts and prayers for our family. What a wonderful group you are involved with. It is also fantastic that you raised so much money at your event for three very worthwhile charities. If other industry groups would follow your example the world would be a much better place.

Congratulations on producing such a successful event! I am sure you are relieved that the event is over, and I hope you will have the opportunity to relax and enjoy the holiday season with family and friends.

Thanks again for everything. I hope we stay in contact over the years and that one day I can do something special for you, as you have truly done for us.

Take care,

Paul
